The Modoc National Forest: is landscaped with mountains, pine forests, meadows, lakes, streams, rugged canyons, wetlands, lava beds, and high desert plateaus...a land of contrasts, where crowds and congestion are non-existent. The environment experiences warm, dry summers and cold wet winters. The record high temperature is 106 degrees and the low 35 degrees below zero. Precipitation ranges from 4.94" to 20.8", with an annual average of 12.0". Elevations range from 4,300' to 9,934'. Gross Forest acreage is 1,979,407 acres.

The Modoc is an exciting destination for those interested in history and archeology. The Forest lies within an area occupied by Modoc, Achomawi (or Pit River), and Northern Paiute Native American tribes, with archeological evidence which suggests the area's first inhabitants settled here more than 10,000 years ago.

The Forest is home to more than 300 species of wildlife, including threatened, endangered, rare or sensitive species like the Rocky Mountain mule deer, Pronghorn antelope, and Canadian geese. A wild horse and burro territory is located in the Devil's Garden and Doublehead Ranger Districts. The Pacific Flyway for migratory waterfowl crosses directly over the Modoc National Forest.

The South Warner Wilderness area offers backpackers and horseback riders 79 miles of trails in the 70,385 acres area. Winter recreation is available at the Cedar Pass Snow Park, 15 miles east of Alturas. A snowmobile trailhead is located at the Doorknob Snow Park, 1 ½ miles south of the Lava Beds National Monument. You can choose from a variety of campgrounds or picnic areas, available on a first come first served basis. Recreational opportunities include hunting, fishing, camping, hiking, horseback riding, hang gliding, snow and water skiing, bird watching, and collecting rocks and gemstones.
